Curator The American  
Numismatic Society

Dear Mr. Wood:

I have carefully  
examined the Swiss stamp, - which is  
enclosed herewith, - and find that it  
is counterfeit. It does not plate  
correctly.

Very truly yours,

A handwritten signature in brown ink, which appears to read "H. Toasperm". The signature is written in a cursive style with a large, sweeping flourish at the end.

My dear Mr. Wood:-

Will you be kind enough to look  
over the accompanying coins belonging to a friend and  
client of mine and advise me of their value if any,
